Sealed Proposals due no later than 2:00 PM on Wednesday, February 22, 2017

Welcome to the Highland Park Housing Authority

In 1937 Congress passed the US Housing Act to “alleviate unemployment and to remedy unsafe and unsanitary housing conditions and the acute shortage of decent, safe and sanitary dwelling for families of low income.” The legislation was designed to encourage construction, create employment opportunities, and provide shelter for low-income families and clear sub-standard housing. Emphasizing local control of its programs, the Housing Act provided for housing in which rents would relate to the tenant’s ability to pay.

The Highland Park Housing, New Jersey, was created on May 15, 1956.

The Authority is composed of 24 units of family public housing, 100 units of senior citizen public housing and 145 units of Section 8 housing.

The purpose of the Highland Park Housing Authority is to create and maintain safe, decent and sanitary housing for those individuals of low to moderate income.

Mission Statement

Our aim is to ensure safe, decent and affordable housing; create opportunities for residents’ self-sufficiency and economic independence; and assure fiscal integrity by all program participants.

In order to achieve this mission, we will:

- Recognize the residents as our ultimate customer.
- Improve PHA management and service delivery efforts through oversight, assistance, and selective intervention by highly skilled, diagnostic, and results-oriented field personnel.
- Seek problem-solving partnerships with PHA, resident, community, and government leadership.
- Act as an agent for change when performance is unacceptable and we judge that local leadership is not capable or committed to improvement.
- Efficiently apply limited HUD resources by using risk assessment techniques to focus our oversight efforts
