

RESOLUTION #2017-21

RESOLUTION IN SUPPORT OF BUILDING A THRIVING NEW JERSEY

WHEREAS, everyone around New Jersey has felt the impact of the 2008 recession, the foreclosure crisis and Superstorm Sandy, all of which took an enormous toll on our communities, from our infrastructure to our businesses to the neighborhoods where we work and live; and

WHEREAS, the State of NJ still ranks number one in standard foreclosures and number one in zombie foreclosures; and

WHEREAS, the State of NJ is the fifth most expensive place to rent a two bedroom apartment in America; and

WHEREAS, the State of NJ has more millennials living at home than any other state in the union; and

WHEREAS, according to the most recent United Way ALICE report, 37 percent of households in New Jersey cannot afford basic needs like housing, child care, health care, food or transportation; and

WHEREAS, the number of unsheltered homeless individuals rose by 48 percent last year; and

WHEREAS, our families, friends and neighbors are the heart of our state and the backbone of our economy, but if we can't afford to live here, we can't get our economy back on track; and

WHEREAS, by building homes we can afford and revitalizing our communities, we can create thousands of new jobs, support businesses and boost economic activity, all across the state; and

WHEREAS, we can build a thriving New Jersey by making sure we can afford homes in the communities where we work and live.

NOW, THEREFORE, BE IT RESOLVED that the Board of Commissioners of the Housing Authority of the Borough of Highland Park, New Jersey, support the Build a Thriving New Jersey effort and urge the next leaders of New Jersey to invest \$600 million into homes we can afford, so that all of us can continue to call New Jersey home.
